You'll save time parking and enjoy the door-to-door service in clean, modern, heated/cooled shuttles. Shuttles drop-off and pick-up at the west side entrance to the Worship Center.

If you are a member or regular attender of Sugar Creek, we encourage you to use shuttle parking locations so first time guests and those with physical limitations can park on campus.

This simple act of making room for more people to attend our church will make a lasting impact on you and our guests. Consider shuttle parking your personal act of service!
